

Canadian Dental Care Plan

Exciting News!

We Now Accept the Canadian Dental Care Plan (CDCP)!

We are pleased to announce that our dental practice is now a participating provider in the Canadian Dental Care Plan (CDCP)! This means eligible patients can now access high-quality dental care with coverage provided through the CDCP.

Our team is committed to making dental care more accessible and ensuring that all our patients receive the treatment they need for a healthy smile. If you or a family member qualify for the CDCP, we're here to help you navigate the process and maximize your benefits.
